Double Dump Guns for Double Safety!

**Weighs
Only 16.6
Pounds!**

15K Double Dump Gun

3/8" NPT Barrel - #60-050-006

20K Double Dump Gun

9/16" MP Barrel - #60-055-001

40K Double Dump Gun

9/16" HP Barrel - #60-040-015

- There is an increasing demand for the extra safety of control guns which incorporate dual dump ports. The Advanced Pressure Systems 15K, 20K and 40K Double Dump Control Guns feature this added security together with the ergonomic advantages and operator comfort of a specially designed front handle.
- This handle is at right angles to the axis of the barrel, which conforms to the natural alignment of the hand and arm of the operator. Some other guns simply use two standard handles, which are cumbersome, uncomfortable to use and are heavier.
- All feature the Easy-Change Cartridge for field overhaul in 30 seconds or less using common tools.
- The APS Double Dump Guns are available in 3/8" barrel size for 15K, 9/16" MP barrel size for 20K, and 9/16" HP barrel for the 40K.
