

Extension Nipples

Put Your Nozzle Tips Close to the Work!

Precision-machined Stainless Steel Nipples

Maximize jet power and removal rates by getting your jets close to the target surface. Extension nipples also improve jet quality for longer throw and harder hitting.

- Durable stainless steel construction
- Sizes in stock for all StoneAge® tools
- Makes smaller pumps capable of bigger jobs

BJV cleaning pipe with four extensions added.

SA 567-P4P2
