

Foot Operated Control Guns

These foot operated control valves (foot guns) are designed for smooth reliable operation. They are easily rebuilt in the field in 30 seconds by unscrewing the dump tube, which removes the used valve assembly. The operator then snaps a new cartridge style valve into the dump tube adapter and returns the whole assembly to the gun.

**15K Dump Style Foot
Operated Control Gun 1/2" NPT**
#61-010-012

**15K High-Flow Dump
Style Foot Operated
Control Gun 1" NPT**
